Application/Control Number: 09/758,872

Art Unit: 1631

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 2-12, 14-17, 19-29, 31-34, 36-46, and 48-51 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite in that it fails to point out what is included or excluded by the claim language. This claim is an omnibus type claim. The claims are vague, indefinite, and incomplete.

(a) The recitation of "hybridization" (claims 2, 14, 19, 31, 36, and 48) is incomplete because there is no antecedent basis for a hybridization assay step. This part of this rejection is repeated for reasons already of record (*e.g.*, Office action mailed September 26, 2002, page 2).

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Martinell whose telephone number is (703) 308-0296. The fax phone number for Examiner Martinell's desktop workstation is (703) 746-5162. The examiner works a flexible schedule and can be reached by phone and voice mail. Alternatively, a request for a return telephone call may be e-mailed to james.martinell@uspto.gov. Since e-mail communications may not be secure, it is suggested that information in such requests be limited to name, phone number, and the best time to return the call.

Application/Control Number: 09/758,872

Art Unit: 1631
